Dear Viktor,

I received your letter of 30 August asking news about Lida. I hasten to inform ^{you} that Lida was actually sent to the "Esperian Suiraaala" Mental Hospital. It is a very good hospital and has good doctors. Unfortunately, they will not keep Lida there very long, because this hospital is only for diagnosing and examining. If a patient can recover in 3 to 4 months, he is kept in the hospital and given some treatments. However, if after a 3-or 4 month testing period the patient is declared incurable, he is transferred to the Lappviken Mental Hospital near Helsinki in Nikila. E. R. Westerlund told me that the hospital charges foreigners 375 Finnish marks per day and Finnish citizens 650 Finnish marks per day. Therefore, according to Zhenya Westerlund, it is better for her to remain stateless for the time being. It would be easy for her to acquire Finnish citizenship ^{ship} because she was born as a Finnish citizen and married a man who was stateless, and because neither she nor you had any other citizenship. Consequently, she retained her Finnish citizenship and by presenting a certificate from her

parish stating that before her marriage to you she was a Finnish citizen, who could get back her Finnish citizenship free of charge. Actually, she never lost her Finnish citizenship.

Zhenya told me that all her things were taken from Jung(?) and were sent to her at the hospital, and Westerlund took the checks which were received by Jung, one from you and the other from Lyulya; he wanted to cash them, but Lida refused to endorse the checks. According to Westerlund, he left the checks at the hospital with the nurse who promised to try to get Lida's signature so as to get the money to pay the hospital bills. As regards the certificate you requested, Westerlund said he already spoke with the nurse who promised to talk to the doctor and to write you directly. Zhenya gave her your address.

Altogether, this is a very unpleasant matter and, of course, I am sorry for Lida as a human being. When she first came here, she was quite normal, but she stopped taking her medicine and besides, between you and me, the company of her brother and her sister was not especially suitable, as they both belong to the camp of those "fascinated" by Bolshevik activities, the so-called "National Bolsheviks"; of whom there are many among the emigres.

Now about a different matter. I am sending you a photo of Miss Jeannine GREGORI, about whom I wrote to you in my last letter. She is a member of the Permanent Preparatory Committee for the 8th Youth Festival. I repeat that she is French, born on 1 August 1938, in Paris.

She arrived in Helsinki on 19 May 1961. She moved to a new apartment: Helsinki, Hakolahdenlie 2.B.17. Another new permanent member of the Committee is staying at the same apartment: LEIX, Claude, a secretary by profession, born on 31 March 1934 in Clermont-Ferrant, and arrived in Helsinki on 15 July 1961.

Another new permanent member of the Committee, QUARCOO, Benjamin, a citizen of Ghana, born in 1904, has also arrived from Moscow. His wife, Clara, was born in 1910. He arrived for the first time on 16 February 1961. Then he traveled several times to Stockholm and Moscow, and now arrived from Moscow on 6 August 1961. His address: Helsinki, Puistokaari 1. C. 10.

Sincere greetings to Astrid. Greetings to Mr. G. Please write me if there is anything interesting at the "Poser" conference.

Sincerely,

yours, K
